UNITED STATES DISTRICT COURT
 NORTHERN DISTRICT OF CALIFORNIA
 SAN FRANCISCO DIVISION

UNITED STATES OF AMERICA)	No. 12-CR-0119-SI
)	
v.)	
)	STIPULATION AND PROPOSED
JOSEPH ORTIZ, et al.)	ORDER CONTINUING JUNE 26, 2013
)	STATUS CONFERENCE
Defendants.)	
)	
)	

The Government respectfully submits this Stipulation and Proposed Order on behalf of the remaining parties in order to request that the June 26, 2013, status conference in the above-captioned matter be continued until July 19, 2013. The parties agree and stipulate, and the Court finds and holds, as follows:

1. Of the nineteen defendants originally charged in the above-captioned matter, twelve defendants remain. Among the issues pending in this case are litigation over the use of the Government's wiretap evidence, with the defense's opening brief due on July 5, 2013, and trial grouping and scheduling.

1 2. However, the Government and several of the parties are currently engaged in
 2 discussions that may narrow, if not moot, some of the remaining issues in this case. While these
 3 discussions will likely not conclude by June 26, 2013, they will likely conclude shortly thereafter.

4 3. Accordingly, the parties respectfully request that the June 26, 2013, status
 5 conference be continued. The parties would respectfully suggest Friday, July 19, 2013, as the
 6 new status conference date, by which time the parties believe there may be developments that
 7 would be relevant to the management of this case.
